CHICAGO, June 10.—Nearly every railway in country affected by the 1800 000 000 wase award of the United States Railroad Labor Board in July, 1920, and which had not previously politicned for wase reductions will appear before the board tomorrow with requests for lower pay for all employes.

Two wage hearings already have been held, the first resulting in the decision of June 1, cuttling the wages of 104 certiers 12 per cent effective July 1. More than 150 roads were included in the second hearing on which no decision has yet been pronounced. Members of the board have indicated, however, that there would be little variation in this decision from that of the first hearing. Provision was made in the June 1 decision for making additional rail-poads parties to that decision at any aphsequent date.
